

QUALITY POLICY

It is Conserve Oilfield Services aim to fully understand the needs of our customers and we aim to routinely exceed their expectations through:

- The commitment and expertise of our employees
- Continuous improvement in the quality of our goods and services
- Ensuring that we meet all statutory legislation

We recognise the importance of our employees in achieving our business aims and therefore ensure that the relevant skills exist at all levels within the company in order to meet the Company's quality objectives.

Our success will be measured by:

- Customer satisfaction
- Efficient operational processes
- Increased market share and continuous growth
- The commitment and loyalty of our staff to provide the best possible service.

The company has developed and shall strive to continually improve the effectiveness of, via management reviews and internal audits, an Integrated Management System that conforms to the requirements of ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007.

This Policy shall be reviewed at regular intervals by the Directors to ensure it remains relevant to the company's business strategy.

Suitable and sufficient resources shall be allocated and appropriate training given to employees in all disciplines ensure that the targets set by the directors are achieved.

Chris MacPhee

UK Managing Director
